

ISLAND INFORMATION

Located along a floodplain wetland, Wekiva Island is an environmentally prized private recreation area nestled along Seminole County, Florida's Wekiva River. This suburban oasis sits amid bubbling natural springs that have been enjoyed by early Native Americans to Millennials.

Today, visitors cool down and experience the "real Florida" at Wekiva Island, where the water is always a refreshing 72 degrees. Swimming, canoeing, kayaking and paddle boarding can be enjoyed in the River, plus there's a regulation-sized volleyball court, corn-hole toss and other recreational pursuits. Guests can throw a riverside party in one of the island's private cabanas, refuel at the Without a Paddle Cafe or Tooting Otter Craft Beer & Wine Bar.

Social functions are also booked year-round in private cabanas, or in the rustic indoor retail general store. Additionally, environmental learning events are mainstream in the Education Building/patio. Rounding out the Island's charming amenities are the Sanctuary Marina, boat launch, canoe/kayak rentals, fire pit area, and boardwalk featuring wooden Adirondack chairs and narrow sandy beach.
